## Chemcia Scientific, LLC MATERIAL SAFETY DATA SHEET

<b>SECTION 8</b>	Exposure Controls / Personal Protection
Eye Protection:	Always wear approved safety glasses when handling a chemical substance in the laboratory.
Skin Protection:	Wear protective clothing and gloves.
Respiratory Precaution:	If ventilation is not available a respirator should be worn.
Hand Precaution:	Always wear suitable gloves/gauntlets
Ventilation:	Handle this product in an efficient fume hood.
<b>SECTION 9</b>	Physical and Chemical Properties
Appearance:	Solid
Melting Point:	No data
Boiling Point:	None
Specific Gravity:	No data
Molecular Weight:	183.2 No data
Odor:	No data
<b>SECTION 10</b>	Stability and Reactivity
Conditions to Avoid:	Heat, sparks and flames
Incompatibility:	Oxidizing agents and reducing agents
SECTION 11	Toxicological information
	Toxicological properties of this compound have not been investigated.
SECTION 12	Ecological information
	No data
SECTION 13	Disposal Considerations
	Contact a licensed professional waste disposal service to dispose this material in accordance with national, state and local regulations. Do not discharge into waterways or sewer systems.
<b>SECTION 14</b>	Transportation Information
	Not hazardous for air and ground transportation when properly sealed or packed.
SECTION 15	Regulatory information
	This compound is only for laboratory use. No safety assessment has been fully investigated.
SECTION 16	Other Information
	The information herein is correct and reliable to the best of our knowledge, but it should not be considered to be all inclusive and it is only used as a guide. Since the toxicological and ecological effects of this material have not been fully investigated, Chemcia Scientific,LLC does not accept liability for any loss, injury or damage resulted from the use of this product.
